Good afternoon Gary,

I just left you a voice mail @ 214-665-6609. I was hoping that you might be able to provide a project update on the removal work at the Falcon Refinery Superfund Site, in Ingleside, San Patricio County, Texas. US Ecology Texas, in Robstown, TX is where a number of loads were shipped. I am wondering if there is any future loads coming to our site. Based on the Agreed Order you are the On-Scene EPA Coordinator, which is the reason I thought I would reach out to you. If you could please give me a call or let me know when is a good time to reach out to you, and I can call you at your convenience.

Thanks,
